Euronext Legacy markets and Borsa Italiana). This membership fee will be charged starting from November 2023 at the end of each month.

For the first 6 months post-migration, Euronext Clearing will compute the applicable membership fee of each Clearing Member using the average monthly volumes (number of transactions) of all guaranteed cash equity products cleared both on Euronext Equity Section and Euronext BITA Share Section computed over the 6 previous months. Then, starting from May 2024, the applicable membership fee will be calculated using the average monthly transactions cleared at Euronext Clearing calculated on a rolling period composed of the 3 previous months.

	Average monthly volumes (number of transactions)	Monthly Membership Fee
Bronze	[0 ; 130 000]	€ 750
