T2S Release 6.2 - binding XSDs delivery

To the attention of:	DCPs
Priority:	High
Topic:	T2S Release 6.2 - binding XSDs delivery

Dear Client,

Please note that, as announced in ON No. 26 of 22 June 2022, the final documentation entitled "Binding XSD", which was received from the European Central Bank on 3 August 2022, has been published.

Messages in MyStandards will have the status of "work in progress" until they are released into the production environment with R6.2. This has been agreed with the T2S community due to the fact that until that date, client tests are ongoing and therefore the messages may still be subject to change.

Relevant documentation

The file containing the final documentation with links to the final XSDs, entitled "MyStandards Links Binding XSD R6.2" is published in the MT-X document section and can be found by following the path Home > Documentation > Projects > T2S Release 6.2.
